## Vehicle Remote Control Unit (VRCU)

Designed to be placed anywhere on a vehicle, VRCU is critically important in large vehicles and those with tight quarters. VRCU allows full control of both single and dual RT-1523 radios for ease of use from any location within

a vehicle. ITT has a dedicated team available to support design of the installation kit for all vehicle installations.

### Specifications

- Size 7"W x 3 1/2"H x 2 3/4"D
- MIL-STD-810 tested for environmental
- MIL-STD-461 EMI tested
- Operational temperature -51°C to +71°C
- Compatible with all SINCGARS models
